Design includes

- File organization.
- Preparing final PDF interior book design for print and uploading the print ready PDF to the clients printer or to the client.
- Design consultation: phone calls and emails.
- I'll provide 1 - 2 interior design layouts, each one will include a two page spread. The approved layout can be 'tweaked' if needed to the clients 100% satisfaction. I'll arrange all text and elements into the approved layout design to create all the book pages, then saved as a web friendly PDF for emailing the first proofing.
- Proofing for spelling, image corrections and changes until the client is100% satisfied. The text corrections can be sent back via email or mail as an itemized list, marked up PDF, or marked up printed pages from the PDF. I'll send back the corrections. We'll repeat the process until it's 100%.
- Final book design files saved on CD-Rom and mailed to the client for safekeeping, CD-Rom includes: InDesign book file, fonts, images, ornament(s) and a ready for print PDF of the final interior design.
